

## Logging into your mobile banking with 2 factor authentication

1. Download our app
2. **Enter** your username and password, **Click** sign in

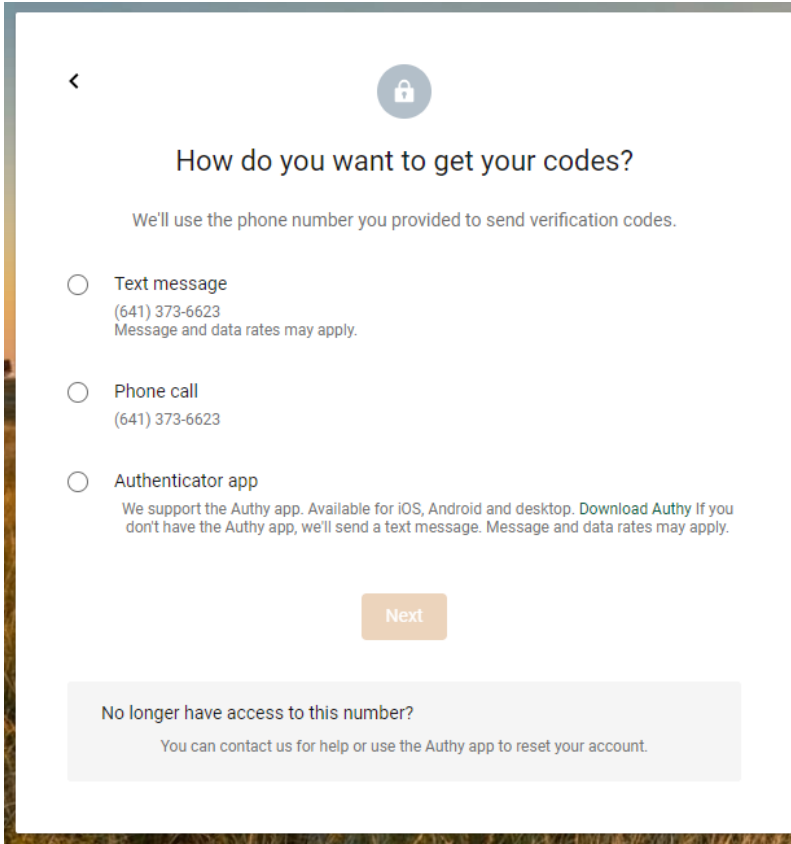

The image shows the login screen for Green Belt Bank & Trust. At the top left is the logo, which consists of a stylized tree icon followed by the text "GREEN BELT BANK & TRUST". Below the logo are two input fields: "Username" and "Password". To the right of the "Password" field is a "Show" link. Below the "Password" field is a "Forgot?" link. A grey "Sign in" button is centered below the input fields. At the bottom of the screen, there is a link that says "First time user? Enroll now".

3. **Enter** your email address and phone number, **Click** next.

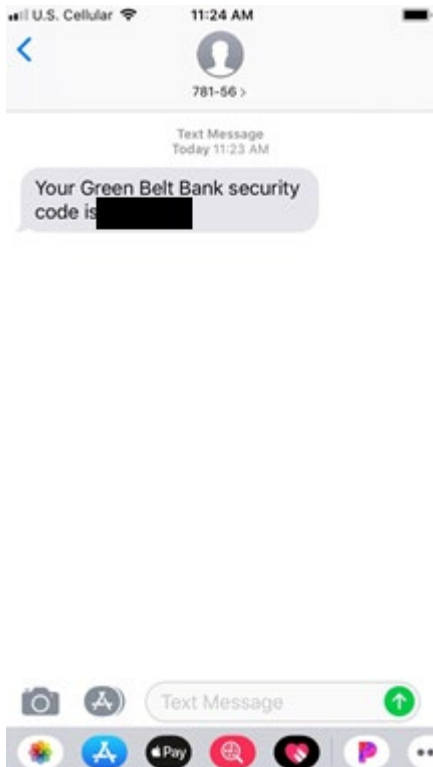

The image shows a 2-step verification screen. At the top center is a lock icon. Below it is the heading "Protect your account with 2-step verification". Underneath is a paragraph of text: "Two-step verification adds another layer of security to your account to make sure only you can sign in. Provide a phone number you will have access to while signing in that can receive a verification code by phone call, text message, or authenticator app." Below this text are three input fields: "Email" with the value "test@gmail.com", "Country" with the value "+ 1", and "Phone" with the value "(123) 456-7897". Below the "Country" field is the text "US/Canada". A blue "Next" button is centered below the input fields. At the bottom of the screen, there is a small line of text: "Message and data rates may apply."

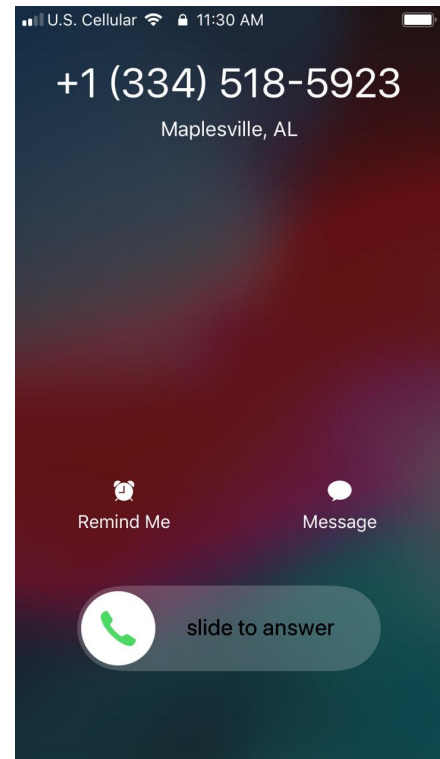

4. **Select** the delivery method you would like to receive the code, **Click next**.

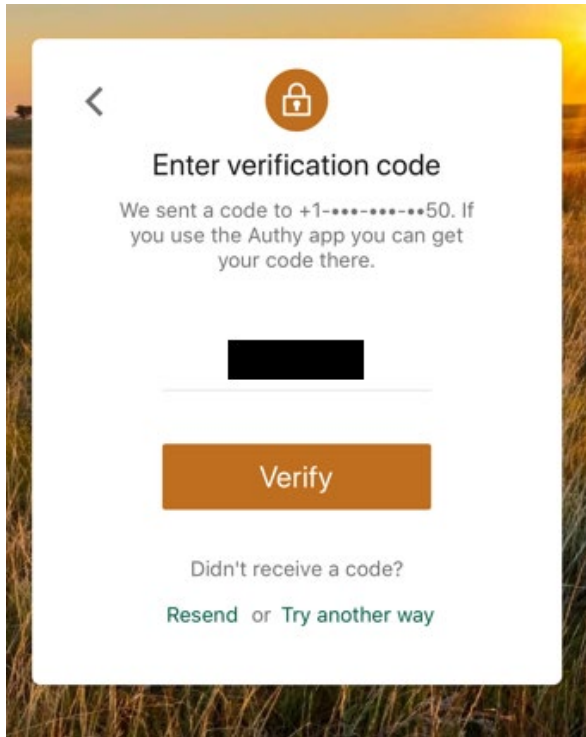

5. If you choose Text Message option you will receive a text message similar to the one below.

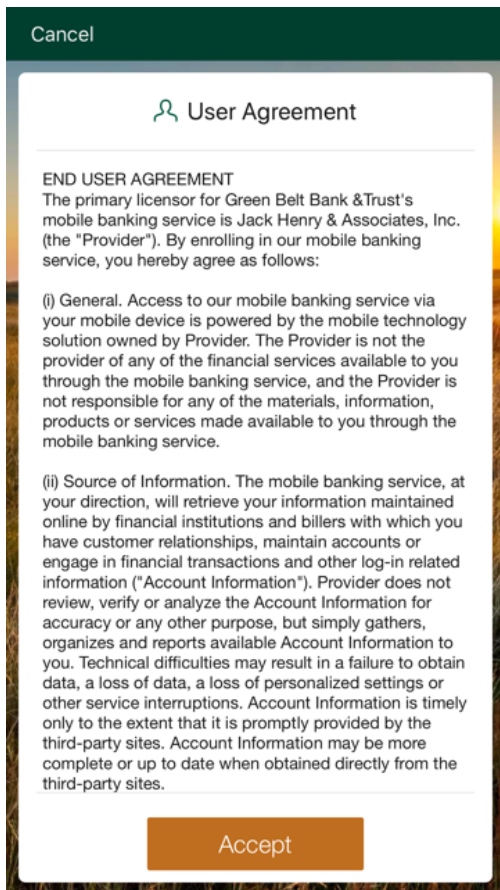

If you choose Phone Call you will receive a call from a number similar to the one below.

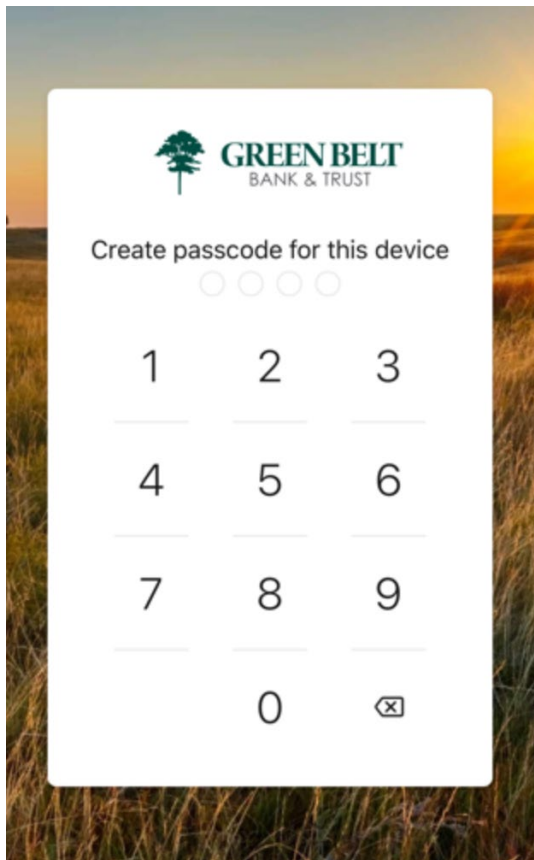

6. Enter the code, Click verify

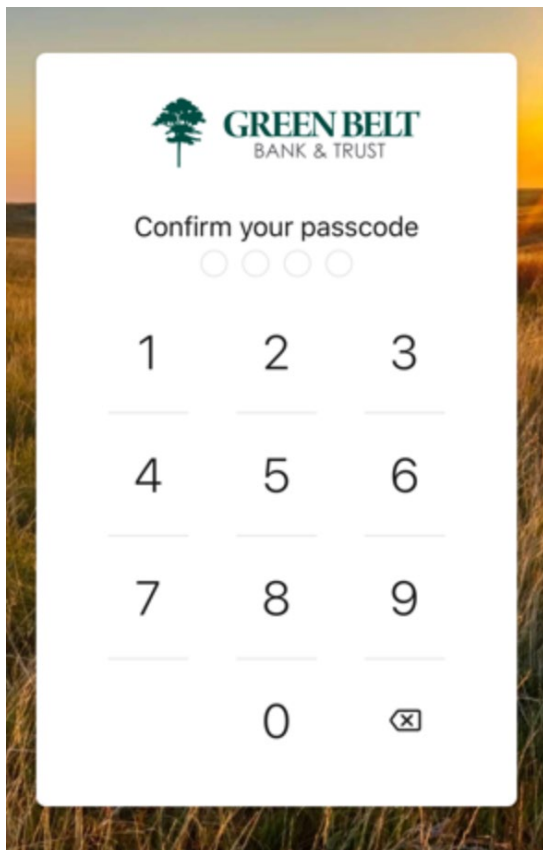

7. Review the User Agreement and Click Accept

8. Enter a 4 digit pin

9. Re-enter your 4 digit pin to verify

10. Depending on the type of device you can enable Touch or Face ID.
